The key signature has two flats (B-flat and E-flat), and the time signature is common time (C). The melody is written in the treble clef, and the accompaniment is in the bass clef. The notes are simple, mostly quarter and eighth notes.

"Mr. Junior College"

The junior college movement in Florida has lost one of its greatest friends and pioneers through the death on July 24, 1961, of Dr. John I. Leonard, president emeritus of Palm Beach Junior College. From 1936 to 1948 Dr. Leonard was Superintendent of Public Instruction in Palm Beach County, and ex officio President of the College. From 1948 to 1958 he served full time as President of the College, on his retirement here becoming President of St. Leo College to help that new institution get started. One of Dr. Leonard's greatest services was in helping to organize the Florida Association of Public Junior Colleges, of which he was the first President.

On this page are pictures of several highlights in the life of Dr. Leonard in 1958. At the top, Governor Leroy Collins congratulates Dr. Leonard at a luncheon sponsored by the Lions' Club on Dr. Leonard's retirement as President of the College; Judge Russell O. Morrow, seated. At the right, Superintendent Watkins, Dr. Manor, Dr. Leonard, Dr. Wayne Reitz, President of the University of Florida, at inauguration of Dr. Manor as President of the College succeeding Dr. Leonard. Below, Mrs. Leonard, Dr. Leonard, and Miss Albertson at a luncheon given by the faculty at Palm Beach Towers Hotel in honor of Dr. Leonard.

Outsiders leafing through our yearbook look for pictures of the beaches they have heard so much about. Here is one of many lovely beaches that play so important a role in the recreation of our students. The color picture on pages 8-9 are by photographer Harry Lamm. Most of the other photos without credit lines in this annual are by Sam R. Quincey Studio.

President of the College

Dr. Manor Lives Junior College

Wherever you see Dr. Manor, you may be sure that he is about some Junior College business. He is always to be seen at College affairs—dances, music recitals, lectures, picnics. On weekends you might see him watering dry plants or helping to place new furniture in the Library. During school hours you might see him talking with Mr. Semmens about fertilizer or putting tickets on improperly parked cars. In short, Dr. Manor is vitally interested in every facet of Junior College life.

Dr. Manor has recently been honored by being selected for inclusion in the next printing of "Who's Who in America."

Junior College Under Control of County School Board

From its beginning in 1933 Palm Beach Junior College has been an important part of the county public school system. Through the years the Board has generally been sympathetic with the problems of the College and has given the College tremendous support. The present Board has the problem of providing increased facilities not only for the growing College, but for the many crowded lower schools as well.

He can still tell you which student wore shorts to a school function years ago.

Evening Division Grows Rapidly

Since most of our evening students work in the day at some job in business or industry, the Evening Division of the College offers them a convenient opportunity to continue their education. In five years the evening program has grown from an enrollment of about 100 to over 800 at present, with the end of the growth not yet in sight. In the evening, one may take most of the courses offered in the day, and there are some additional ones, such as business law, police administration, horticulture, philosophy, Latin-American history, and social dancing. For the second year, extension classes are being held in Belle Glade High School for those living in the western part of the county.

Strong in Variety of Courses

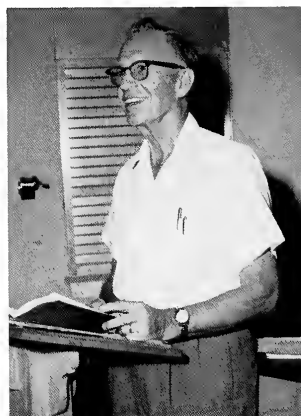

Any time you get around the Science Building you can smell a batch of hydrogen sulfide someone is cooking up or see students dissecting cats or studying a human skeleton. But these things are necessary if one is to become a nurse, a doctor, a chemist, or if one is to enter one of the many different fields for which biology and chemistry are basic. The Science Department offers courses in general biology, anatomy and physiology, microbiology, genetics, botany, and horticulture. For the more practical there are courses in medical laboratory procedures and medical terminology. Besides general chemistry, there are qualitative and quantitative analysis and organic chemistry. This is a splendid variety of courses which many a four-year college would be proud of.

Social Science Department

The Social Science Department is concerned with the study of Man, the Social Animal. Getting along well with one's fellow men takes many forms, which members of the Department try to explore. If you want an insight into the present from a different point of view, study ancient history with Mr. Becherer. By the end of the course you will have discovered that it should probably be called "The Decline and Fall of Practically Everybody." Or you may learn with Mr. Forshay about the Pilgrim Fathers in American history "and all that jazz." If you like North Carolina history and folk customs, take a course in political science or social science with Mr. Payne. With Mr. Riggs you may solve

Many Services Necessary at P.B.J.C.

A great deal of work besides that in classrooms is necessary to make an institution such as Palm Beach Junior College function efficiently. The office workers on the opposite page are only a few of those pictured in these pages on whom we depend so much. Mrs. Nowlin and her large staff have the difficult task of providing palatable and nourishing food at prices to fit the student's pocket-book. Mr. Semmens meets every request for custodial services with the same cheerfulness he has displayed through the years. He also has a large staff to help him, including Mr. Franck, who works the year round painting the buildings. It is a never-ending task. These are only a few representatives of the many staff workers, who have become too numerous to picture in *The GALLEON*.

Dental Hygiene Building for Campus

The State Cabinet has approved a \$350,000 bond issue to finance a 14-classroom building and a dental hygiene building (above). The W. K. Kellogg Foundation has granted \$73,622 for equipment in the latter building, to be completed for the 1962-63 school year. PBJC will have the only dental hygiene training program in Florida.

Loren Palmer, President of Circle K, presents Carol Martin with a gift of stationery and a pin, honoring her as Circle K's first "Girl of the Month."

Mr. Philip Lovejoy, Executive Secretary of Rotary International, made an inspiring talk at a general assembly program on February 14. Mr. Lovejoy was brought to Lake Worth through the courtesy of the First Federal Savings and Loan Association of Lake Worth. Here he talks with Dr. Manor and Val Cabaldon.

County Registrar Addresses Union

In November, Daniel Gorham, Palm Beach County Supervisor of Voter Registration, spoke before PBJC's Political Union at Dee's Restaurant in Lake Worth. Mr. Gorham, a Republican, attacked Governor Farris Bryant for removing Republican Sheriff Martin Kellenberger from office.

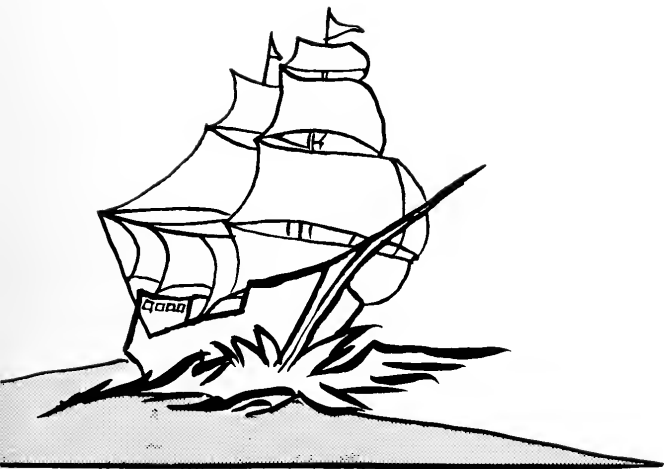

Richard Bernstein, Ken Bucher, and Bruce Mitchell help build a walk by Dean Glynn's office to eliminate a dangerous step down.

Attendance was wholly voluntary. Sessions were held three times weekly in the fall on such subjects as adjusting to college life, choosing a vocation, using the library, acquiring good study habits, and learning helpful points concerning specific fields of study.

A project of the Civitan Club this year was the raising of the walk by Dean Glynn's office to the level of the other walks leading to the library and to the Student Center. This work eliminates a dangerous step-down and raises the walkway above the "flood stage" in wet weather. This project was financed by the Civitans' sale of fruit cake at Christmas.

MEDIA Gets Wide Publicity

MEDIA, PBJC's literary magazine, appears annually in the spring. Its purpose is to encourage students to express themselves by providing an outlet for literary and artistic talent. The editorial board considers the merits of each contribution, whether a poem, a story, an essay, or a drawing; whether serious, humorous, or morbid.

MEDIA has attracted rather wide acclaim, the high point coming in an editorial in the *Southeastern Junior College Messenger* for January 1962, entitled "Media Meets Special Needs at Palm Beach Junior College." This editorial explains the policies of the magazine as follows: "Selections for the MEDIA are chosen on the basis of originality, thought, and presentation. The identities of contributors remain anonymous to the editorial board until after the final selections for publication have been made. Contributors and illustrators are informed that their work has been selected when they receive an invitation to an informal reception which is held the night before the magazine is distributed."

Political Union Active on Local Scene

The Political Union is an affiliate of the Florida Citizenship Clearing House, and through this affiliation a student spends a week in Tallahassee each spring as an observer of Florida government in action. Also, during the school year members of the Political Union are invited to attend conferences sponsored by the Florida Citizenship Clearing House, both regional and statewide. On December 9, 1961, the local Union served as regional host for a Political Union conference. Many men in state and local government were present. The Union frequently has public officials as guest speakers. This year, members are actively campaigning in spring elections. One interesting project this year is a study and report of Republican strength in Palm Beach County in recent elections.

UNKNOWNNS WIN WOMEN'S SOFTBALL TITLE IN '61

First team in the round robin tournament in the spring of 1961 was the Unknownns, managed by Pat Larson. On the team were Sue Ives, Pat Chapman, Joanne Alban, Charlotte Silvers, Sandra Mandelar, Starr Webster, Pat Larson, Georgia Le Beau, Nona Childs, Joan Gibbons, Sandy King, and Darleene Maxson.

At left, Miss Jane Leaf is teaching techniques of badminton in girls' gym class.

New Phys Ed Courses Popular

Three new courses offered the second semester proved very popular. Recreational games, pictured here, is a co-educational course teaching table tennis, darts, croquet, shuffle board, deck tennis, horseshoes, and other sports that most graduates can continue to participate in.

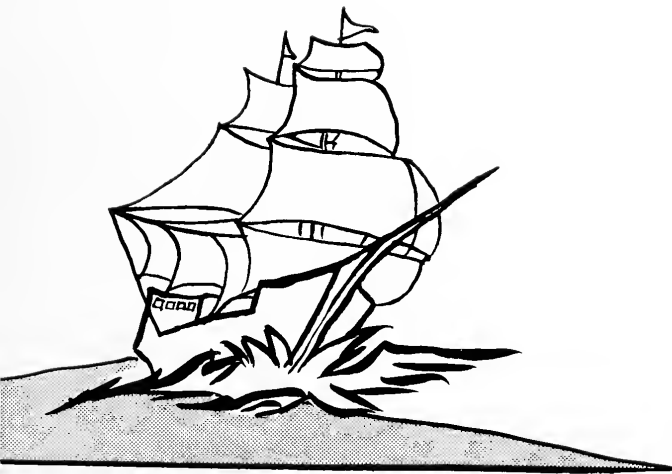

Social dance is offered only in the evening and carries no academic credit, but nevertheless the class was quickly filled by students of both sexes. Play gymnastics teaches men the fundamentals of tumbling, trampoline, and vaulting. For women there is a course in recreational leadership that teaches theory and practice of different forms of recreation.

MISS JANICE HUBER
Court of Beauty

Miss Huber is a freshman working in the field of dental hygiene. A native of Pennsylvania, she now makes her home in Lake Worth. Her interests include singing and playing the piano. After graduation, she plans to work as a dental hygienist and get married.

Events

Another School Year Begins With Registration

After the usual hectic registration, there was a period of settling down and becoming adjusted to college life. The first week of classes brought a splash party just for freshmen and a dance for everyone. The Intramural and Recreational Board provided fun and fellowship at the "get-acquainted beachacue" in Palm Beach. Freshmen chose their officers, candidates like Don Deakin (right) vying for votes. The last two weeks of September were busy ones, with the social clubs giving rush parties.

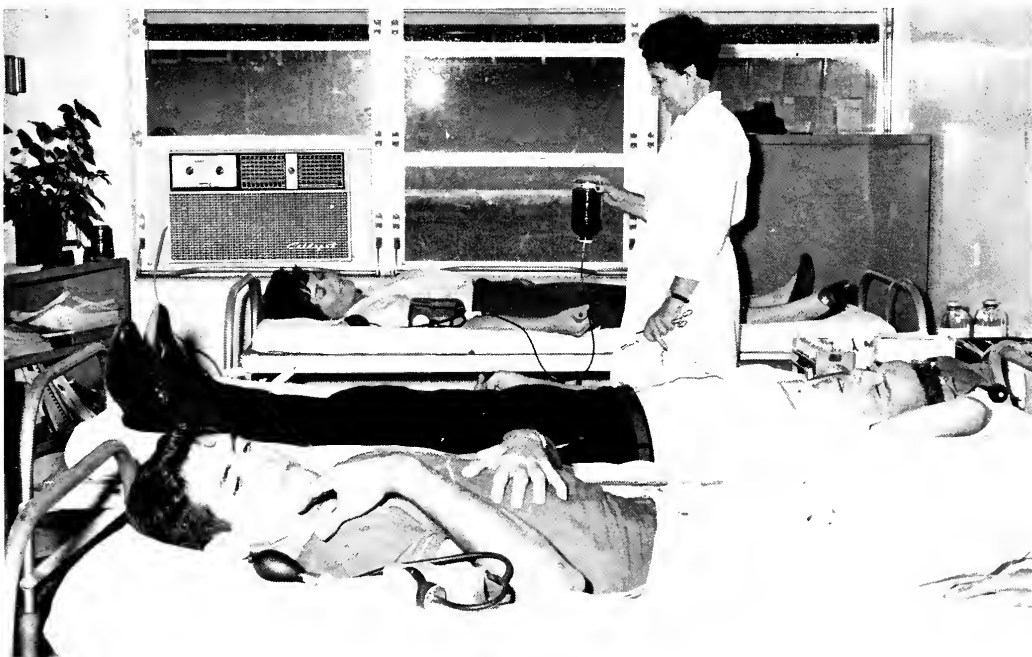

And there was a more serious side of activities, too, such as the blood bank drive for the Classroom Teachers' Association. Any student, faculty member, or their families may use the blood thus contributed.

A Beachcomber picture.

The I.R.B. sponsored a beach-a-cue on September 25, at Phipps Park, with plenty of swimming, games, and barbecued chicken. Below, the blood bank drive sponsored by Thi Del netted sixty-nine pints of blood.

Circle K Brings Speakers to Campus

At the first general assembly of the year on October 27, Circle K presented Mr. Reid Moore, Jr., who spoke on Communism vs. Americanism. Mr. Moore represented the Palm Beach County Bar Association and Florida Bar Association. Left, Mr. Rudy Sobering of Southside Kiwanis Club; Dr. Samuel Bottosto, Faculty Advisor; Mr. Moore: Loren Palmer, President; and Jay Fountain, Past-President.

Below: State Senator Ralph Blank, Jr., speaks on the future of Florida at the Circle K banquet in the Student Center on December 5. Senator Blank stressed the need for more educational facilities in Florida, especially in graduate and technical fields, to take care of industrial growth.

Pat Bain Stars in Euripides' Tragedy, Medea

Phi Rho Pi's first dramatic production of the year was Robinson Jeffers' adaptation of Medea, presented in the College Auditorium October 26-28, 1961, under the direction of Mr. Frank Leahy. The stage setting was excellent, and the production was well received by the audience. Student director was Linda Burnett, assisted by Jeani Austin. This play, of course, belongs to Medea, and Pat Bain did a splendid performance with the prodigious amount of memorizing necessary.

Co-Ed Club Presents Sadie Hawkins Dance

Sharon Gauthier and Doug Phillips were enthroned on a bale of hay after having been chosen Daisy Mae and Li'l Abner at the Co-Ed Club's Sadie Hawkins Day Dance held in the gym on November 4. In the Daisy Mae-Li'l Abner contest, the Club collected \$155 to add to the Student Scholarship Fund. Over 350 students in Dogpatch costume danced to the music of the Accents and enjoyed the entertainment. In the picture above, Thi Del pledges sing "I'm Just a Girl Who Can't Say No." Left, Beth Lemons sings "You Can't Get a Man with a Gun." with Daisy Mae and Li'l Abner in the background.

Students Are Funny at Festival of Fun

The Intramural and Recreational Board presented its second annual Festival of Fun on November 21 in the Gym and on the athletic fields. About 400 students were on hand for the games and refreshments, and to dance the "Twisti" afterwards. Sophomore men won the pushball game and potato race, but freshmen proved that they have their noses to the ground in the peanut-pushing race (right) and other antics.

Phi Theta Kappa Taps 13 in Fall Ceremony

In an impressive candlelight ceremony in the auditorium on November 15, Phi Theta Kappa tapped thirteen new members of this honor society. The College Singers skillfully performed a very ambitious program. At lower left, Barbara Regnier (left) is being tapped by Sue Ives. At lower right, Barbara Frostic, Shonnee Swyers, and Valerie Browne sing a trio.

Political Union Holds Regional Conference

On December 9, 1961, PBJC served as host for the Southeastern Florida Regional Conference of the Political Union. Attending the meeting in addition to college students of the area were guests such as State Senator Ralph Blank, Jr., West Palm Beach City Commissioner Sylvan Burdick, County Commissioner E. F. Van Kessel, Judge Paul Douglas, County Registrar Dan Gorham, Mayor Charles Brown of Lantana. Representing PBJC are Faculty Advisor Joe Payne, President Harold Manor, Dr. Sam Bottosto, Dean Glynn. In the picture above, Errol Hicks, President of the host Union, is presiding.

Music Department Has First Recital

On January 11, 1962, the examination recital was held in the auditorium before a small, appreciative audience. On the program were Valerie Browne (pictured above), accompanied by Shirley Gearhart, singing a selection from the light opera "Die Fledermaus," and Brenda Power on the flute (right), accompanied by Bill Boisvert. Other vocalists were Richard Plotkin, Shonnee Swyers, Maureen Mahoney, and Bruce Bryan. Other instrumentalists were Laurine Anderson on the clarinet, and Norma Gargiulo, Jack Carter, Valerie Browne, and Shirley Gearhart playing solos at the piano.

Bernie Kyle Orchestra at Harvest Moon Ball

Thanksgiving time is Thi Del's Harvest Moon Ball time. This year the annual formal dance was held on November 25 at the Pennsylvania Hotel in West Palm Beach, with Bernie Kyle's Orchestra furnishing the music. Concluding a big evening, Thi Del and their dates attended a breakfast at the home of Connye and Larry Conway. The Harvest Moon Ball, like other formal dances, is not restricted to members of one social club and their guests, but is an all-college affair.

*Ed Westbury Chosen
"Mr. Wonderful"*

At Tri Omega's formal "Winter Wonderland" Christmas dance, given at the Pennsylvania Hotel on December 16, Edwin Westbury was named "Mr. Wonderful." with Gary Cornn, Jack Benton, and Jerry Dupper as the "King's Court." The Carl Cawood Trio provided the dance music.

Christmas Festivities Gay and Reverent

Getting into the spirit of things, the Mature Students Association held a "coffee" in the Home Economics Department. Mrs. Mary Jane Roberts serves Dr. Manor, who is flanked by Mrs. Harriette Glasner and Dan Ward.

On the last day of classes before the Christmas vacation the holiday atmosphere came to its climax with the Christmas assembly in the Auditorium. The College Singers, under the direction of Mr. Ed Sturdivant; the College Band, under Mr. Otis Harvey; a choral ensemble and a trio under the direction of Miss Letha Madge Royce, combined their musical talents in a splendid Christmas concert. Narrators of the Christmas story were Pat Bain and Hal Johnstone. The scenic design by Beth Lemons and the lighting effects by Doug Anderson created a very beautiful and striking background. On December 28 the annual Student-Alumni Dance was held in the Gymnasium.

Sharon Gauthier
Chosen
Miss P.B.J.C.

Sharon Gauthier was named "Miss Palm Beach Junior College" at the Coronation Ball, sponsored by Alpha Phi, at the American Legion Hall in West Palm Beach on January 13. Miss P.B.J.C.'s attendants were Gariann Pappert and Bonnye Duerr. At lower left, candleholding Alpha Phi brothers form ranks in impressive procession. Joe Sigmond's Orchestra provided music for dancing.

Johnny Belinda Held Over

"Johnny Belinda," by Elmer Harris, proved so popular in the Phi Rho Pi presentation here that it was held over for an extra performance. Breaking all attendance records at the College, around 1800 persons saw the special dress rehearsal and the four regular showings beginning February 3. Gloria Maddox has been very favorably compared with Jane Wyman in the movie version of the same role of Belinda. Mr. Frank Leahy was director, assisted by Rick Allen and Sandi Beasley.

CAST: Gloria Maddox as Belinda, Jim Martin, Tom Mook, Al Seibert, Anne Ellen Quincey, Maureen Mahoney, Sigrid Gunderson, Jim Pope, Steve Jones, Johnny Quinn, Tom Wells, Beth Lemons, Jeani Austin, Doug Anderson, Bill Flory, Connie Brooks, Allison Crane (the baby).

The annual Sweetheart Ball sponsored by Phi Da Di was held on February 17 at the Town House in West Palm Beach. Miss Brenda Power (center) was named Sweetheart of the Ball, her attendants being Miss Jeanie Van Dyne (left) and Miss Karen Anglin. Music was provided by the Carl Kaywood Orchestra. On the opposite page, Phi Da Di "brothers" sing the Sweetheart Song.

"Miss Galleon"
Title*

In a beauty contest held in the Home Economics Department on February 24, 1962, Miss Maureen Woods of Boca Raton was chosen "Miss Galleon." The yearbook is the sponsor of this very popular contest, thirty-one girls competing for the honor this year. They were judged on personality, charm, grooming, and poise, as well as physical beauty. The judges in the picture above are three of our mature students: Mr. John McWeeney, Mrs. Elsie Dean Welch, and Mr. Lee R. Ballard. The winners are Miss Galleon: Maureen Woods at the extreme left; Miss Sophomore: Mauren Norton, second left; Miss Freshman: Frances Brown, extreme right; members of the Beauty Court: Janice Huber (third from left), Carole England (front center), Lyn Parker, and Bonnye Duerr.

Whitehall Scene of Arch Dance

On May 5, 1961, Philo held its annual Arch Dance at elegant Whitehall, the Flagler Memorial Museum in Palm Beach. The 250 guests were entertained by several numbers of the Peggy Visco Ballet Dancers, the music of Phil Crenshaw at the piano, and the songs of Carol Martin.

Artists and Models' Ball a Gala Affair

"King Neptune's Kingdom" was the theme of the 1961 Artists and Models' Ball, held in the gym on April 14. The ball was co-sponsored by the Art Club and Circle K, and "rock and roll" music was provided by the Accents. The guests also enjoyed the latest dance craze, the "Hully Gully." Above, Rick Allen does a humorous skit on "Romeo and Juliet," and at left, Sandy Hall, Tom Brown, and Gary Kallback do a skit M.C.'d by Dennis Setterfield.

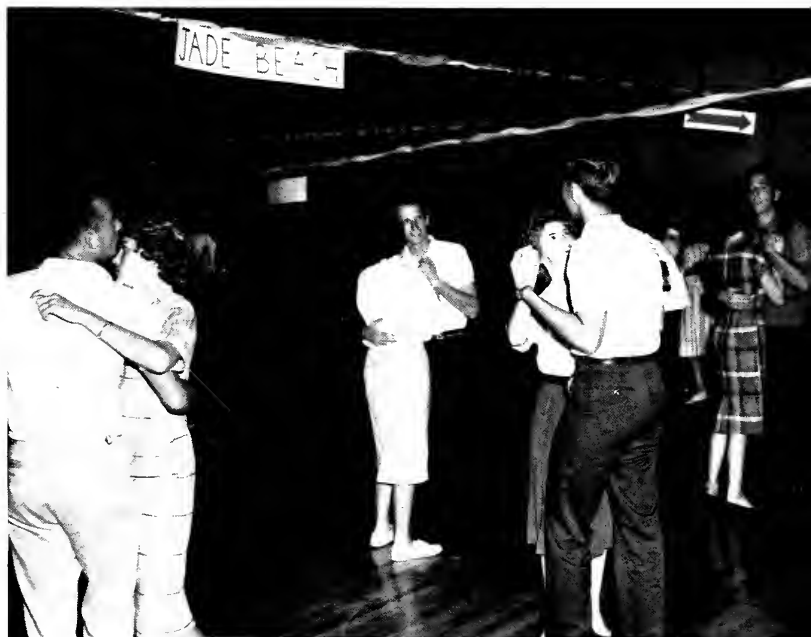

Two Informal Spring Dances Held on Campus

Two informal dances of last spring are pictured here. At the top is Esquire Club's "Stardust Ball," held April 28, 1961, in the star-drenched Student Center. On the patio outside, tables were placed under the real stars. Carl Kaywood's Orchestra provided dance music, with songs by Jimmy Allen.

At the right is the I.S.C.C. Dance held in the gym on March 3, 1961. Decorations were on the theme "Where the Boys Are." Music was provided by the Jesters, and pledges from all the social clubs were introduced.

Assembly

On March 30, 1961, the College Singers and the Home Economics Department combined efforts to present an Easter program in the auditorium. The ladies at the left were among the best dressed in this area last Easter. At lower left a mixed ensemble led by Miss Madge Royce sang appropriate songs and led the audience in singing the Alma Mater. At right, a trio composed of Maija Murray, Judy Bell, and Nancy Cardwell sing the Richard Rodgers ditty, "I Enjoy Being a Girl." A men's quartet composed of Tom Mook, Sammy Bivans, Bill Boisvert, and Henry Hall put spirit into "Standing on the Corner."

Kiwanis and Circle K Sponsor Barbecue

On Sunday afternoon, April 16, 1961, the Southside Kiwanis Club of West Palm Beach and Circle K co-sponsored a barbecue at the College. Funds from the sale of tickets were used for the benefit of the College, including the planting of the royal palm trees along the future mall from the Administration Building to Congress Avenue. This barbecue has become an annual affair since the College moved to the present campus.

PBJC Holds Open House

A crowd of more than 300, many of them parents of PBJC students, visited the campus on April 23, 1961, to see the facilities and meet the faculty. Representatives of various student organizations served as ushers and guides for a tour of the campus. A popular attraction was the College Band, which played a concert under the direction of Mr. Otis Harvey on the patio behind the auditorium. Refreshments were served in the library.

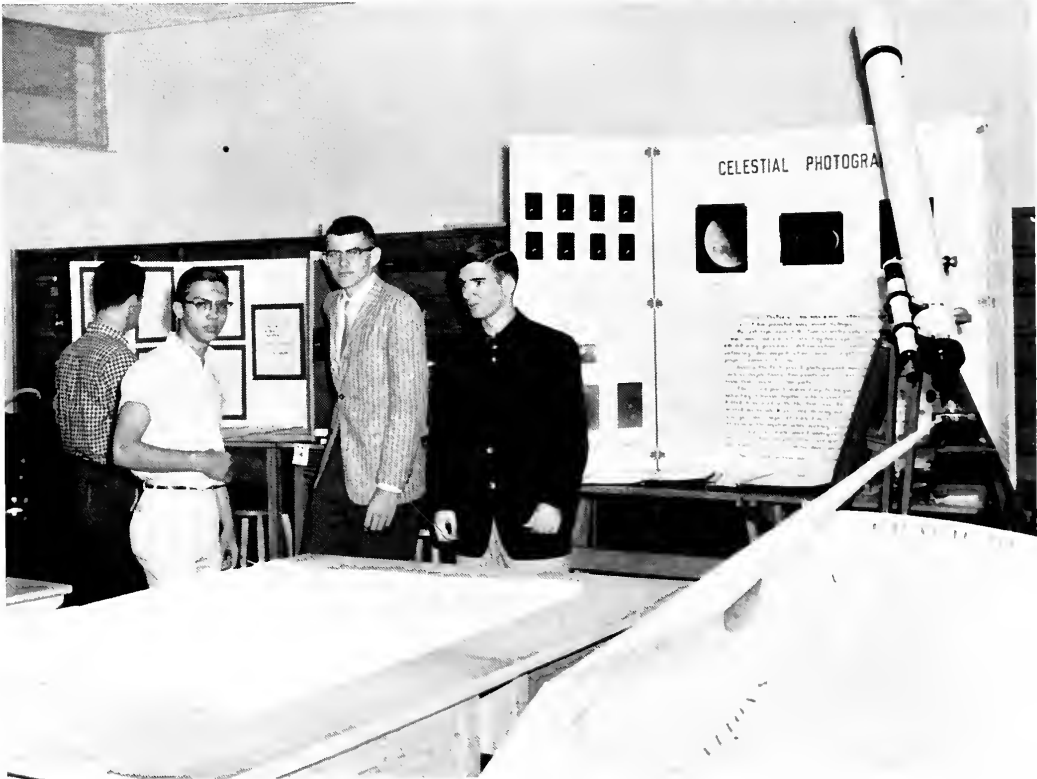

Language Festival and Science Fair Held Here

Of interest to hundreds of PBJC students were two high school competitions for which the College served as host. On April 14, 1961, the Foreign Language Department of PBJC sponsored the county-wide Foreign Language Festival in the auditorium. At left, Miss Rose Biancarosa, French and Spanish instructor, presents Duncan Muir of Palm Beach High School a trophy for his school, which won more honors than any other. Mr. Watson B. Duncan, III, Chairman of the Department of Communications, looks on.

Students Exhibit Art at Lake Worth Bank

From May 6 to May 12, 1961, PBJC art students had an excellent opportunity to exhibit their work where thousands could view them. The Commerce National Bank of Lake Worth provided exhibition space in the lobby and presented small cash awards to winners in the competition. First place winners in various categories were Susan Hollis, Bill Hoegsted, and Marcia Manor.

During the week of May 21 the art students had another exhibition at the Norton Gallery in West Palm Beach.

I.R.B. Sponsors Splash Party

Over 300 students swam, danced the Hully Gully, and ate "Sloppy Joes" at the pool party held at Lido Pools in Palm Beach on April 13, 1961. Music for dancing was provided by The Accents. On the swimming schedule were relay races and two novelty races: a "poodle race," in which the contestants could use only the dog paddle stroke, and a hat race (above). In this latter race, swimmers lined up and jumped feet foremost (well, anyway they were supposed to) into the water. Then they had to race to the end of the pool and back and recover the hats by coming up underneath them without using their hands.

and Wind-Up Picnic

About 600 students and teachers attended the Wind-up Picnic held at Phipps Ocean Park on May 23, 1961. Hot dogs and potato salad were the main items on the menu. Various games were played and annual awards were made to intramural sports winners.

There was hardly room for dancing in the Student Center on the evening of May 1, 1961, as The GALLEON held its annual signing party. Refreshments were provided by the Sophomore Class. At the right, Editor Pat Sheppard helps distribute the books.

GRADUATE INTO FLORIDA'S FUTURE!

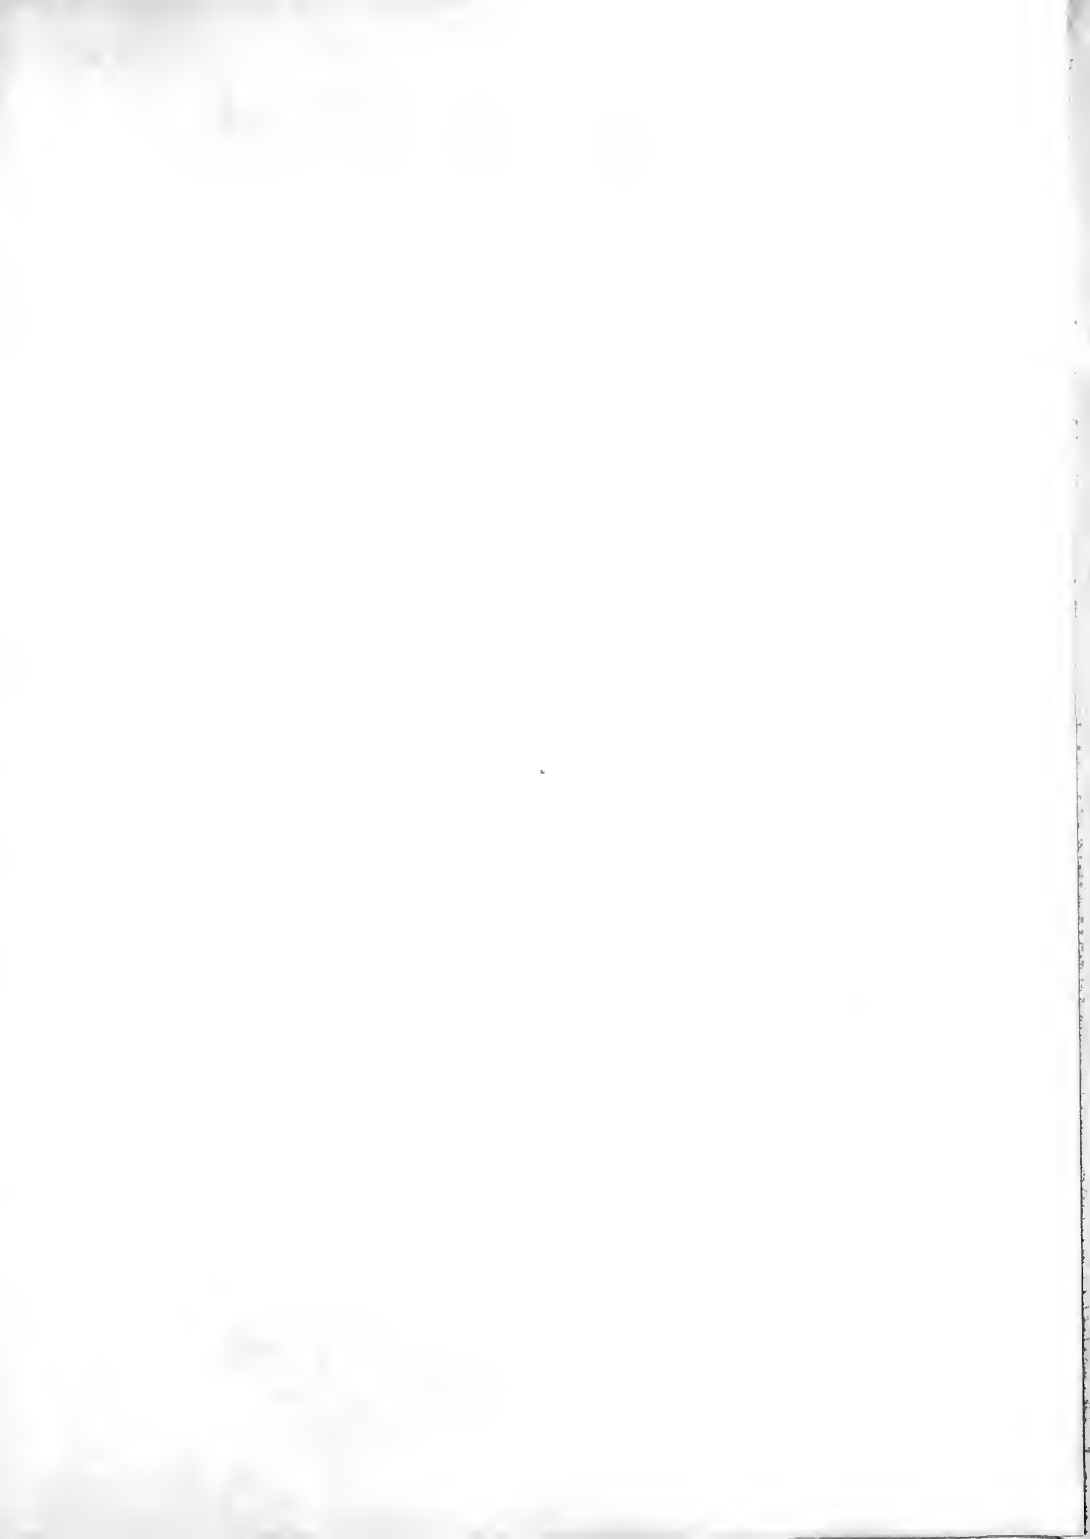

An education at one of Florida's outstanding institutions of higher learning will prove a valuable asset in the years ahead.

Remember also, that every Florida "learning hour" can be transformed into Florida "earning power". No other state offers more promise for action-minded, well-trained young people. Reddy Kilowatt suggests that you make a study of the growing opportunities in the Sunshine State and find out why so many Florida grads find Florida ideal for a lifetime of profitable "home-work".
